The Salvation Army Merton Christmas Present Appeal

109 Kingston Road, Merton Park, London SW19 1LT
<https://www.justgiving.com/fundraising/mitcham-salvation-army1>

The Salvation Army in Merton has collected and provided new unwrapped toys for families across the borough for the last 10 years.

Increasingly we have requests for teenagers who are always tricky to chose for, so please, if you're able, donate money in order for us to provide suitable and age appropriate toys for young people across the borough.

All you donate will be used locally.

We are so thankful to all those who make this appeal possible. Thank you.

Caring for others this Christmas

St Raphael's Hospice
London Road, Cheam,
Sutton SM3 9DX

Registered Charity No. 1182636
<https://www.straphaels.org.uk>

St Raphael's is the Hospice for Merton and Sutton boroughs.

We are an independent registered charity providing adult palliative and end of life care for all who need it, free of charge.

Our team of expert consultants, doctors, nurses and healthcare assistants look after patients in the Hospice's 14 en-suite rooms with around 80% of patients being supported in their own homes.

We also provide counselling and bereavement services, and a Wellbeing Centre to help everyone to live well.

We are funded 25% by the NHS and rely on the generosity of our community to support us in raising the remaining £4-5m we need each year.

Thank you for supporting the work we do, now and into the future.
